Acknowledgments	i
Abstract	iv
Samenvatting	vi
Résumé	viii
Table of Content.....	x
List of Figures	xii
List of Tables	xiv
List of Acronyms.....	xvii
Introduction	1
PART I PRESENTATION OF THE RESEARCH	6
Chapter 1 Theoretical Context of the Research.....	7
Chapter 2 Theoretical Hypotheses.....	20
2.1. The Relative Deprivation Hypothesis	21
2.2. The Identification Hypothesis	30
Chapter 3 Social Context and Population of the Empirical Research.....	37
3.1. Social Context of the Research: Brussels	37
3.2. Population of the Empirical Research: Youngsters in Brussels	45
Chapter 4 Methods	50
4.1. Sample and Design	51
4.2. Questionnaire	60
4.3. Data Collection	61
4.4. Statistical Techniques	63

PART II	RESULTS	79
Chapter 5	Descriptive Statistics and Exploratory Data Analysis.....	80
5.1.	Univariate Analysis of the Socio-Demographic Variables.....	80
5.2.	Mediating Variables.....	86
Chapter 6	Pupils' Gender-Related Attitudes.....	96
6.1.	Data.....	102
6.2.	Results.....	104
6.3.	Discussion.....	112
Chapter 7	Pupils' Sexual Prejudice.....	116
7.1.	Traditional, Modern Sexual Prejudice and Gay Civil Right Issues.....	119
7.2.	Data.....	122
7.3.	Results.....	127
7.4.	Discussion.....	136
Chapter 8	Pupils' Endorsement of Assimilationism.....	140
8.1.	Hypotheses.....	142
8.2.	Data.....	147
8.3.	Statistical Analysis.....	150
8.4.	Results.....	151
8.5.	Discussion.....	155
Chapter 9	Impact of Schools on Pupils' Attitudes towards Minorities.....	160
9.1.	School Explanatory Variables (N:70).....	165
9.2.	Results.....	170
9.3.	Discussion.....	181
Chapter 10	General Discussion.....	185

Attachments	213

List of Figures

Figure 1: Brussels Administrative Units	42
Figure 2: Flowchart of the Research	51
Figure 3: Municipalities Selected in our Sample	52
Figure 4: Location of Participating Schools in Relation with the Proportion of Non-EU Immigrants in Brussels Municipalities in 2006	56
Figure 5: Location of Participating Schools and Average Income per Inhabitant in Brussels Municipalities.....	57
Figure 6: Location of Participating Schools and Proportion of Inhabitants Younger than 20 in Brussels Municipalities in 2006	58
Figure 7: Location of Participating Schools and Total Population in Brussels Municipalities in 2008	59
Figure 8: Illustration of the Dependency that May Compose our Clustered Sample with the Covariance Structure of an Outcome	64
Figure 9: Diagram of a Two-Level Hierarchy Structure: Pupils (p) within Schools (s)	65
Figure 10: Graphic Illustration of a Random Intercept Model.....	66
Figure 11: Graphic Illustration of a Random Intercept Random Slope Model	68
Figure 12: Three-Level Nested Structure: Multivariate Responses (I) within Pupils (P) within Schools (S)	71
Figure 13: Mediation Model (Reproduced from Baron & Kenny, 1986, p. 1176).....	75
Figure 14: School Track	82
Figure 15: Socio- Economic Situation of the Family	83
Figure 16: Education Degree of the Mother	84
Figure 17: Education Degree of the Mother: 3 Categories.....	84
Figure 18: Marital Situation of the Parents.....	85
Figure 19: Religious Socialisation: 5 Categories	85
Figure 20: Religious Services Attendance: 3 Categories	86
Figure 21: Experienced Group-Level Institutional Discrimination Index (Pupils of Foreign Origin)	90
Figure 22: Experienced Group-Level Institutional Discrimination Index (Belgians)	90
Figure 23: Perceived Group-Level Institutional Discrimination (Pupils of Foreign Descent)	91
Figure 24: Perceived Group-Level Institutional Discrimination (Belgian pupils)	91
Figure 25: Identification of Belgian Pupils with Belgians.....	93
Figure 26: Identification of Pupils of Foreign Origin with Belgians.....	93

Figure 27: Ethnic Identification of Pupils with a Migrant Background	93
Figure 28: Distribution of the Women Emancipation Item	103
Figure 29: Distribution of the Gender Role Item	103
Figure 30: Frequency of the Mokken Scale with the Items on the Endorsement of Assimilationism	149
Figure 31: Schema of the Sequential Regression for the Endorsement of Assimilationism	150
Figure 32: Distribution of the Gender Diversity Index across Schools	167
Figure 33: Distribution of the Cultural Diversity Index across Schools	168
Figure 34: Distribution of the Average SES across Schools	170
Figure 35: Distribution of the Standard Deviation of SES across Schools	170
Figure 36 : Cultural Diversity Index against Predicted Values of HomoT3 at the School Level with the Impact of Cultural Diversity Index (N=70)	176
Figure 37: Cultural Diversity Index against the Predicted Values of HomoT3 with the Impact of CDI (N=67)	177
Figure 38: Social Diversity against Predicted Values of HomoT3 at the School Level with the Impact of Social Diversity (N=70)	178
Figure 39: Position of the Six Outlying Schools on the Distribution of SD SES and Average SES	179
Figure 40: Social Diversity against Predicted Values of HomoT3 with the Impact of Social Diversity (N=64)	180
Figure 41: Average SES against Predicted Values of HomoT3 at the School Level with the Impact of Average SES (N=70)	181
Figure 42: Graph for Guttman Errors in Response Patterns for the Entire Sample	288

List of Tables

Table 1: Berry's Typology of Acculturation Strategies	31
Table 2: Comparison of the Non-Participating and Participating Schools with Regard to Municipalities	53
Table 3: Comparison of the Non-Participating and Participating Schools with Regard to the Education Systems.....	54
Table 4: Comparison of the Non-Participating and Participating Schools with Regard to the Education Networks.....	54
Table 5: Comparison of the Non-Participating and Participating Schools with Regard to Education Tracks	55
Table 6: Comparison of the Sample Composition with the Official Statistics on the School Going Population of the Last Year of the Secondary Education in 2006-2007 in Brussels Region	62
Table 7: Overview of the Research Questions and Statistical Analyses	78
Table 8: Frequency of the Origin Categories.....	81
Table 9: Country of Birth of Pupils with a Migrant Background	82
Table 10: Mother Tongue	82
Table 11: Gender	82
Table 12: Employment Status of the Mother.....	85
Table 13: Religious Socialisation	85
Table 14: Religious Services Attendance	86
Table 15: First Institutional Discrimination Item against Country of Birth of the Mother.....	87
Table 16: Second Institutional Discrimination Item against Country of Birth of the Mother	88
Table 17: Third Institutional Discrimination Item against Country of Birth of the Mother.....	88
Table 18: Fourth Institutional Discrimination Item against Country of Birth of the Mother.....	88
Table 19: Fifth Institutional Discrimination Item against Country of Birth of the Mother	89
Table 20: Mean and Distribution of the Experienced Group-Level Institutional Discrimination Index and the Perceived Group-Level Institutional Discrimination Index across the Categories of Origin.....	91
Table 21: Means and Standard Deviations of the Identification with Belgians and the Ethnic Identification across the Origin Categories.....	94
Table 22: Correlation between the Mediating Variables among Pupils of Foreign Origin and Belgians	95
Table 23: Overview of the Hypotheses on Gender-Related Attitudes	101
Table 24: Multivariate Analyses of Variance with the Explanatory Variables at the Individual Level and the Two Gender- Related items.....	104
Table 25: Socio-Demographic Predictors of Gender-Related Attitudes at Level 1 (Controlling for School Variation)	106

Table 26: Overview of the Results of Youngsters' Attitudes towards Gender-Related Issues	112
Table 27: Overview of the Hypotheses on Sexual Prejudice.....	122
Table 28: Items on Attitude towards Lesbians and Gay Men	123
Table 29: Frequency of the Eight Sexual Prejudice Items.....	124
Table 30: Multivariate Analyses of Variance with the Explanatory Variables at the Individual Level and the Eight Sexual Prejudice Items	126
Table 31: Socio-Demographic Predictors of Sexual Prejudice at Level 1 (Controlling for School Variation).....	128
Table 32: Variance-Covariance Matrix at Level 1 for the Model Comprising the Socio-Demographic Characteristics of Pupils.....	129
Table 33: Identification with Receiving Society, Ethnic Identification and Experience of Group-Level Institutional Discrimination as Mediating Variables for the Socio-Demographic Predictors at Level 1 (Controlling for School Variation).....	131
Table 34: Variance-Covariance Matrix at Level 1 for the Model Comprising the Socio-Demographic Predictors and the Mediating Variables	133
Table 35: Variance-Covariance Matrix on the School Level for the Model Comprising the Socio-Demographic Predictors and the Mediating Variables at the Individual Level	135
Table 36: Overview of the Results of Youngsters' Sexual Prejudice.....	136
Table 37: Hypotheses on Perceived Group-Level Institutional Discrimination and Experienced Group-Level Institutional Discrimination by Ethnic Minorities and the Majority.....	146
Table 38: Overview of the Hypotheses on the Endorsement of Assimilationism	147
Table 39: Analysis of Variance for Each Predictor on the Assimilationism Scale.....	149
Table 40 : Results of the Individual Characteristics on the Attitudes towards Assimilationism –by Controlling the Impact of Schools	152
Table 41: Overview of the Results on the Endorsement of Assimilationism	154
Table 42 : Index of Dissimilarity for Gender, Ethnic Origin, and SES across Schools.....	166
Table 43: Predictors of Sexual Prejudice at the School Level (Controlling for the Socio-Demographic Predictors and the Mediating Variables at Level 1).....	172
Table 44: Variance-Covariance Matrix at the School Level for the Model Comprising the Schools Characteristics and the Individual Characteristics.....	173
Table 45: Contingency Table with the Region of Origin and Gender	279
Table 46: Contingency Table with the Region of Origin and Education Tracks	279
Table 47: Contingency Table with the Region of Origin and Education Degree of the Mother.....	280
Table 48: Contingency Table with the Region of Origin and Marital Situation of the Parents	280
Table 49: Contingency Table with the Region of Origin and Employment Status of the Mother	281
Table 50: Contingency Table with the Region of Origin and Religious Education.....	281
Table 51: Contingency Table with the Region of Origin and Religious Services Attendance	282
Table 52: Correlation Matrix of the Nine Sexual Prejudice Items.....	284
Table 53: Communalities of the Principal Axing Factoring	284
Table 54: Pattern Matrix of the Principal Axing Factoring.....	284
Table 55: Labels and Items on Assimilationism	286
Table 56: Item Score Pattern	286
Table 57: Summary Results for the Scale	286
Table 58: Summary per Item	286
Table 59: Summary per Item for the Check of Monotonicity	287
Table 60: Summary per Item for the Check of Non-Intersection via Restscore Groups.....	287
