
TABLE OF CONTENTS

ACKNOWLEDGMENTS.....	iii
TABLE OF CONTENTS	v
Introduction	1
Sustainable Goal Setting: a Large-scale Case in Management Practice	13
Introduction	14
Theory and hypotheses.....	15
Goal-setting theory	16
Performance management sustainability with respect to goal setting	18
Tested hypotheses.....	19
Method	20
Empirical context.....	20
Procedure and data	22
Activities.....	23
Variables	25
Results	26
Descriptive statistics	26
Regressions by activity.....	28
Productivity-indicators relationship	30
Discussion	33
Results and implications	33
Limitations	38
Conclusion.....	39
How Organizational Learning Is Supported by Performance Management Systems: Evidence from a Longitudinal Case Study	41
Introduction	42
Performance Management and Learning	44
Organizational Learning and Change.....	47

Method	51
Research site.....	51
Data and interviews	52
Data Analysis.....	54
Findings	55
A) The availability of performance information	55
Individual learning: Intuiting & Interpreting	55
Group and organizational learning: Integrating & Institutionalizing	57
B) Coupling managerial autonomy with periodic performance review	59
Individual learning: Intuiting & Interpreting	59
Group and organizational learning: Integrating & Institutionalizing	61
C) Strategic processes of change	63
Individual learning: Intuiting & Interpreting	64
Group and organizational learning: Integrating & Institutionalizing	66
Discussion	68
Conclusion.....	72
Multilevel Use of Levers of Control in a Large Public Organization: From Top to Frontline Managers.....	76
Introduction	77
Revised Levers of Control Framework	80
Method	84
Research site.....	84
Procedure and data sources	85
Findings	87
NEO's organizational structure.....	88
Top management level	89
Controls at the central administration.....	89
Levers of control as used at the top management level	93
Middle management level	96
Controls used by office directors	96
Levers of control as used at the middle-management level.....	99

Frontline level	101
Controls used by coordinators and team leaders	101
Levers of control as used at the frontline level.....	105
Discussion: Controls from the Top to the Frontlines	107
Boundary controls getting progressively stricter	107
Reversal between diagnostic and interactive use of controls	108
Constraining controls becoming enabling for middle and frontline managers.....	109
Limitations	110
Conclusion.....	111
What Enable Effective Performance Information Use in Public Service Organizations	113
Introduction	114
Literature Review.....	118
Reasons for using performance information	118
Management control framework	122
Goal-setting theory and sustainability.....	127
Tested hypotheses.....	131
Method – Quantitative Comparison.....	132
Empirical context.....	132
Procedure and data	134
Variables	135
Statistical method.....	137
Results – Quantitative Comparison	138
Descriptive statistics	138
Regression analysis	140
Method – Qualitative Comparison	145
Data sources	145
Data analysis	147
Results – Qualitative Comparison.....	148
Managers' opinion on performance and performance management.....	149

Technical aspects of performance management	152
Use of performance information by managers.....	155
Control and supervision using performance information	161
Discussion	165
Implications for practice.....	169
Limitations	170
Conclusion.....	171
Conclusion	173
Summary	173
Building Performance Information Capacity	176
Contribution to Literature.....	179
Limitations	182
Directions for Further Research.....	184
Full Bibliography.....	188
Appendix A.....	210
Appendix B.....	212
Appendix C.....	214
