**Fournier Denis**

Date of initial registration for the PhD : *22 September 2015*

Sources of funding throughout the doctorate : *F.R.S. – FNRS*

**In accordance with the PhD Regulations, I hereby deposit the whole of the text of my thesis in electronic format (hereinafter "the WORK") in the Institutional Repository of the Université Libre de Bruxelles ("ULB"), and in so doing :**

1. I grant a non-exclusive, free and worldwide license to ULB for the entire legal duration of copyright for reproduction and public communication of the WORK and, more specifically :
  - a. the right to save and reproduce it for preservation and archiving purposes in the Institutional Repository, on electronic/digital media online and on the servers necessary for its communication;
  - b. the right to communicate it to the public, in one or a combination of the following ways :
    - 1) public access, via the **internet**, to all or part of the WORK with the option of setting an *embargo period*, beyond which the WORK or part thereof becomes accessible via the internet;
    - 2) access via the **ULB's Intranet** to all or part of the WORK with the option of setting an *embargo period*, beyond which the WORK or part thereof becomes accessible via the ULB Intranet;
    - 3) **no access – non visible status** – for all or part of the WORK. Please note however: *posting the table of contents online with limited access to the ULB Intranet, at least, is mandatory.*

*Example: you may choose for the whole of your WORK to be accessible over the internet except for one volume, e.g. for reasons of confidentiality.*

- c. the right to reproduce or authorize its reproduction on paper or any other medium for the purposes of private use, for illustration in teaching or scientific research, insofar as is justified by the intended non-profit motive;
  - d. the right to adapt it for the purposes set out in points a, b and c above and to take any necessary steps for its technical archiving and preservation, as well as making it available to the end user, but without prejudice to the moral rights of the author of the WORK, in particular the right to respect for the integrity of the WORK. Regarding the long-term preservation and archiving of the WORK, the author also grants the ULB the right to sub-contract to any third party of its choice, all technical acts (including storage) for the physical preservation of the files containing the WORK.
  - e. the right to index it using search engines such as Google, Google Scholar, etc.
  - f. the right for it to be harvested by some virtual libraries with which the ULB works. For the purposes hereof, « harvest » is defined as « gathering metadata (bibliographic description) for storage in a centralized database where metadata from various sources can be queried simultaneously ».
2. I retain all rights over reproduction and communication of the WORK and the right to use it in future work. However, I undertake not to grant to third parties any rights which would directly or indirectly interfere with this commitment and I will reserve, in any future contracts with third parties, the rights and obligations arising from the present license.
  3. I certify that the electronic version of the WORK deposited here corresponds to the version submitted to the Faculty, if applicable.
  4. I certify that I have obtained, in accordance with the applicable legislation on copyright and requirements of image rights and right of ownership, all permissions necessary for the reproduction, as part of this license, of images, texts and / or any other work protected by copyright belonging to third parties and, where appropriate, the authorizations required for their communication.
  5. This agreement contains the entire agreement and understanding between the parties with respect to the subject matter hereof and supersedes and replaces all prior agreements or understandings, whether written or oral, with respect to the same subject matter that are still in force between the Parties..
  6. This agreement shall be governed and construed in accordance with Belgian laws, without giving effect of its conflict of law provisions. Any dispute that could not be solved amicably by the parties shall be submitted to the exclusive jurisdiction of the competent courts in Brussels..
